

Barn Quilt Painting Workshop with Suzi Parron

Join the barn quilt movement by creating your own painted quilt block.

You will begin with a pre-primed board and go through each step—drafting, taping, and painting, with careful attention to detail.

The workshop lasts about 4 hours.

You will leave with a finished quilt block, ready to hang!

The finished product will be two-by-two feet and is the perfect size for mounting on smaller buildings.

Supplies provided:

~Pre-primed 2 by 2 foot board. The priming is a two-day job, which is already done for you!

~Suggested patterns ready to transfer (you may bring your own, but keep it simple— and be ready to draw it onto the board)

~Paint

~Foam brushes

~ Knives for cutting tape

Supply List:

- Painter's tape--partial roll is fine if you have it on hand. Green "Frog tape" brand is BY FAR the best, but blue Scotch tape will do. Narrower tape (about 1 inch) is preferred
- Yardstick or 24 inch ruler
- Pencil
- Blow dryer for every 3-4 people
- Coverings for tables (host organization usually provides)
