President's Message

A Recurring Question

At our September board meeting, the question was again raised of whether we want to continue our association with the Fine Art of Fiber. The problem, in a word, is money. While the Botanic Garden is a lovely site for a quilt show, our ability to fund raise there is limited. Over the years members have wondered if we might not do better to have a bi-annual show in another venue where we could charge admission and have vendors.

Please note that we will not drop out of Fine Art of Fiber without a vote of the membership.

The board would like to have a task force consider the viability of this suggestion and, if a show in a new space seems possible, to suggest sites. We need several people for this committee. Call or email me if you are interested. I look forward to hearing your views on this matter.

Happy quilting,
Jennie Gordon

FAOF SILENT AUCTION Needs YOU!!

One of the guild's fundraisers is the Silent Auction at the Fine Art of Fiber in early November each year. Visitors to the FAOF enjoy bidding and winning beautiful hand made works of art. I've received many beautiful things already - thanks to our wonderful members - but we can always use more.

Please consider donating something to raise money for IQI.

Submission forms can be found on our website and at fineartoffiber.org

2012 Quilt In – just around the corner!

Registrations for this annual event are in full swing... We have over 50 quilters joining us this year for a weekend of sewing, learning new techniques, and catching up with our friends.

While there is still some space available, we have limited availability on rooms, so if you are considering joining us, please send in your registration form as soon as possible. If you have sent in a registration form and have indicated your roommate (s) names, please make sure they send in their forms too! We will be making reminder calls shortly.

Several local shops have already indicated their interest in having discount coupons for us, and their names and information will be distributed at the event so that we can support them in the future.

Class descriptions and supply lists will be on the website shortly. Its not too late for you to register for classes. I will have a list of classes at the next few meetings, so you can just stop by and sign up. If you have already given us a preference, you will automatically be on that list.

Hope to see you in January!!

IQI Library

Well, we made it! The Library was moved at the end of August to Beth Hillel and we were able to have the whole collection available for browsing and check out once again at the September meeting.

We'd like to thank Lou Gordon and Richard Feinberg with helping revitalize the book cabinet before we moved and Wally and Diana Burrows for helping with the actual move. Having a moving company truck available made the move that much easier. We also wish to thank Mary Meyers and Janet Vavloukis for help in color coding returned books and the many members who helped unload and reload the books from the cabinet. Without all your help things would not have gone as smoothly as it did.

Here is the complete list of color coding subjects we used:

Light Blue	Blocks
Purple	Techniques (not Appliqué)
Green	Appliqué
Dark Green	Fiction
Tan	Gallery
Gray	History / Geography
Brown	Seasonal / Events / Children
Salmon	Sewing Projects (
	Clothes / Accessories / Dolls / Crafts)
Blue	Quilting (Machine / Hand / Patterns)
Red	Embellishment / Design / Color (Theory / Dyeing)
Yellow	General / Miscellaneous

Remember to check out the General / Miscellaneous section – books with every phase of quilting, organization, or just books that didn't fit into any other category are here.
