President's Letter

School's Out! (Wait, we're all long done with school. Well, whatever. I guess I feel like the mantle of president comes off for a bit, anyway.) IQI's about done for the season, at least meetings-wise. POTLUCK, though, and NEW VENUE, coming up: Be sure to drive to WILLOW and SUNSET RIDGE, Northfield, to Lutheran Church of the Ascension on June 6. Times, food assignments, directions and map elsewhere in the newsletter.

CHALLENGE QUILTS are due for judging: is yours complete? CLOSE? My top's done. Yay!

Fall classes are not quite up on the website, but I'VE already signed up for the Featherweight Clinic in September. You can too, if you bring a check (and pay your dues for next year) to our Potluck.

We will also welcome Patti Solem, a former IQI member, who, with friends, will be selling former IQI member Melissa Kane's quilt stash, as Melissa passed away recently. Proceeds from the sales will go to charities Melissa supported, with a portion coming back to IQI. We've also invited Patti and friends to join us for dinner.

We STILL NEED a RAFFLE QUILT TRAVEL Coordinator. This is a great way to see ALL the guilds in the area (if you care to) and/or find friends or volunteers to accompany or replace you. PLEASE consider this for YOUR CONTRIBUTION to the Guild.

We are still planning on doing a one-day T-Shirt Quilt Marathon to benefit Lurie Children's Hospital, but have not settled on a date. We will send out an email blast when we've got a solid plan, but are shooting for perhaps a Friday.

--Melanie Anderson

SEPT 5 Rhonda Pierce *Educator at Schmetz Needle Company* - “2 Inches of Steel”

Confused about what needle to use? What do all those numbers mean on the needle package? Is changing the needle really important before it breaks? Successful sewing is often about paying attention to the little things – like the needle in your sewing machine. Get the low-down about how this little piece of steel can solve some very BIG problems, including broken threads, skipped stitches and puckered fabrics. Your sewing machine is an investment and protection begins by using the very best needle.

SEPT 7 Marla Margelewski “Featherweight Maintenance Class” This is the class for all owners of Singer Featherweight sewing machines. In 2013, Marla was gifted a Singer Featherweight, which started her on a journey to learn about “The Perfect Portable.”

Since then she has rescued and restored 19 Featherweights. Marla has taken several classes on how to care for them and this class will give you the confidence & basic knowledge on how to maintain yours. Workshop Kit Fee: \$20

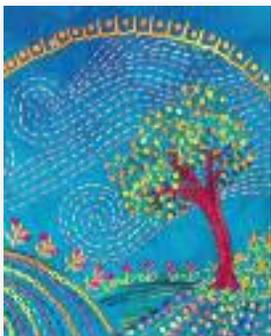

OCT 3 Laura Wasilowski “Art Quilts—The Musical”

Join Laura in celebrating the life of a quilt artist. Listen to her adventures in quilt making and hear traditional art quilt folk songs like “Everybody Gets Rejected Sometime” and the “Minnesota Quilter’s Polka”. It’s a quirky documentary featuring a display of her small art quilts and many other songs from the “*Chicago School of Fusing Bond Fire Songbook*”.

OCT 4 “Woven Flower Basket Quilt”

Create a colorful woven basket quilt full of joyful flowers and leaves. Learn fusing techniques like pattern transfer, bias weaving and bias braiding for the basket handle. Pattern templates are provided, but you will also learn fusing tips and how to add hand-embroidery to your small art quilt. Bring summer into your home and make a basket full of flowers from a kit of beautifully hand-dyed fabrics and threads. (No sewing machine is needed.) Workshop Kit Fee: \$25

Oct 5 “Free Stitched Embroidery Landscapes”

Densely hand stitched, these small landscape vignettes are created from your original design, with cotton threads and free stitched on hand-dyed silk fabric. You’ll learn about fabric and batting choices how to transfer your design to the silk, the threads and needles best for stitching and how to devise embroidery stitch combinations unique to you design. It is a slow, thoughtful, tempo of making intimate art work. Workshop Kit Fee: \$30.

JAN 9 (2020) “School House-Hand Stitching”

Join us for an evening of learning new skills in hand work! Members will pre-register to learn a new technique. We will divide into small groups lead by some of our very talented members, teaching Applique, Beading, Boro, Embroidery, English Paper Piecing and Wool Applique. Small kits will be provided. Bring scissors and neutral thread.

FEB 6 MaryJo Busch “Color College”

MaryJo will teach students to use the Artist Color Wheel, beginning with a power point presentation in which she explains various aspects of the color wheel in detail, using photos and charts to help students understand how to use the wheel for designing quilts. The lecture includes a trunk show of many colorful quilts, each one representing different color wheel combinations.

FEB 29 - LEAP Year Event **SAVE THE DATE!** Spend this extra day **QUILTING!** Lutheran Church of Ascension, 9 am to 4 pm Cost: \$10 + a dish of food. Take a half day class, finish a UFO or sew for Charity.

MAR 5 Valli Schiller – Lecture: “Gizmos & Gadgets for Adventurous Quilters”

Can you find quilting gear at the grocery store? The hardware store? Valli finds some of her favorite tools and supplies in unexpected places. This lecture is packed with tips, tricks and step-by-step techniques for making great quilts faster.

MAR 6 “Finishing School” This is a 2 part full day class. In the morning, “Fearless Free Motion Quilting” Tired of stitching in the ditch? Think you can’t free motion quilt? Yes, you can! In this hands-on technique class, participants will learn fast and fun ways to turn their tops into quilts using a home sewing machine. This playful approach features simple free motion quilted grids with lots of creative variations and no marking. No machine quilting experience necessary, but you must be familiar with the operation of your sewing machine. (Requires darning or free motion foot.) (See Valli Schiller’s workshop photos in next Oakleaf).

In the afternoon, Mighty Nice Binding – By Machine! Learn two different ways to bind quilts entirely by machine, as well as Valli’s fast, foolproof, no measure method for joining binding ends. You will bind your sample from the morning with crisp corners and smooth joins. Confident Beginner.

MAR 7 “Ruler Quilting Fundamentals” Add a versatile new technique to your free motion quilting repertoire! Ruler guided quilting enables you to stitch precise straight lines and curves with minimal marking. And since your feed dogs are dropped, you can stitch in any direction to create complex designs without turning your quilt. In this hands-on class, you’ll transform ½ yard of solid colored fabric into a 20 x 20 whole cloth quilt (pattern provided) with an elegant, modern vibe. Intermediate-Some prior experience with free motion quilting helpful. Must have a ruler foot and a bed extension table for their sewing machine. Valli will have her own line of rulers available for sale during class.

APR 2 Cheryl Schenck “From First Stitch to Last Staple”

Cheryl’s Lecture is everything you always wanted to know about Tuffets. She loves to teach quilting, sewing and painting. She’s a certified Tuffet Source affiliate and McTavishing quilting instructor. Cheryl also makes custom skating costumes.

APR 3 & 4 (2 Day Workshop) “Tuffets”

Friday-Part 1-Sewing the Cover Saturday-Part 2 – Assembly & Stapling. Kit Fee: \$133.00 + tax. Includes Tuffet Source pattern and all the inside supplies to make your Tuffet, including a wood base with pre-drilled holes, tee nuts, furniture-grade upholstery foam, upholstery batting, a button form, cording, and 4 wooden feet. 2 Day Workshop Fee: \$85

MAY 7 Suzi Parron “Following the Barn Quilt Trail”

Suzi’s interest in quilting history led her to fascination with barn quilts, which she discovered on a cross-country camping trip in 2008. A high school English teacher, Suzi spent 2 years documenting the barn quilt movement, traveling to twenty-nine states, gathering stories of these painted quilt patterns and their ties to family and tradition.

MAY 9 “Painted Barn Quilts” Join the Barn Quilt movement by creating your own painted quilt block. You will begin with a pre-primed, 2’ x 2’ board and go through each step---drafting, taping and painting, with careful attention to details. The workshop lasts 4 to 6 hours. You will leave with a finished quilt block, ready to hang! Kit Fee: \$45 paid to Instructor

Other Guild News

Greetings from Pride of the Prairie Quilters!

Our guild meets monthly in Naperville. We are excited to be hosting Bonnie Lyn McCaffery, an internationally known quilt artist and author, who will offer her NEW class, DoodleZenDotz Design, on Friday, July 19, 2019. This 5 hour class (with a break for lunch) will be taught at Zion Lutheran Church, 11007 Book Road, Naperville, IL. The non-member price for the class is \$60, which includes lunch. Cooperative Creativity

Sponsored by the Lakeside Quilting Guild in Hyde Park

This organic display celebrates divergent styles and creative expression. Each quilt is designed and executed by 3 or 4 quilters. Each subsequent participant interprets the intention of the original quilter to create a beautiful piece of art. For info, see Kristen Woods. 118 N. Clark St., 7th floor, 8:30-4:30
