President's Letter

Whoa! Just a month till it's time to attend IQI lectures and workshops again! And... there have been IQI happenings across the summer, as well as a few COMING UP THIS MONTH. First of all, Village Quilters have arranged a bus to the Madison show, on Friday, September 6. (See article, below). There's a big quilt show coming up August 24-25 in Peoria, Gems of the Prairie. Pride of the Prairie Guild has openings in their September lecture and class. Diana Burrows is home and looking for company if you are service-inclined. Cheryl Paras is spearheading another Friendship gathering in September, details TBA via email blast. NSNG has (lecture and) class space available in August. Lots going on!

Suzanne Davis-Killen's been burning up the Chicagoland area arranging massive travel for our Raffle Quilt (thank you, Suzanne!). We still need someone new in that position come January, so consider this position if you don't have a job to do within the guild. Remember, we're ALL supposed to do a bit of service to the Guild to keep it running and raffle quilt's a GREAT way to see whatever guilds you might be interested in.

At the September meeting, we have Rhonda Pierce from the Schmetz Needle Company to educate us on *Two Inches of Steel*. Saturday, September 7th, we'll have Marla Margelewski instructing us on Feather-weight Maintenance – can't wait!

LASTLY, pull an entry form (or two, or three...) from the FAOF website: www.fineartoffiber.org and get your pictures snapped and your entries IN! If you completed your IQI challenge, put it in! If you completed your Mystery Quilt at Quilt In, put it in! If you are completing your Pearls in the Garden Challenge, put it in! All those class samples? GREAT for Silent Auction. Details for all of the above are covered elsewhere in the Oakleaf.

--Melanie Anderson

Village Quilters of Lake Bluff/Lake Forest is planning a bus trip to Quilt Expo, in Madison, WI, on Friday, September 6. We will depart from the Libertyville Sports Complex, 1950 N. Hwy 45, Libertyville at 7:00 am. We will depart Madison at 4:00 pm, and return to Libertyville at about 6:00 pm. The cost of the trip is \$50, which includes admission to the show.

Village Quilters is happy to make this trip available to quilters in IQI. If you are interested, please contact Barbara Schober at 0585quilt@comcast.net, or by phone at 847-212-2426.

IQI 2019-20 LECTURES & WORKSHOPS

Lectures are held at Lutheran Church of the Ascension, Northfield, IL and workshops at Gloria Dei Lutheran Church, Northbrook, IL. Workshop Fees: \$50 Members, \$60 Non-members unless otherwise noted. All Workshop Kit Fees are paid to the Instructor day of class. Workshops are open to non-members 2 months prior to workshop date.

Also note: some kit fees can only be paid with cash or check, no credit or debit cards. See workshop info.

SEPT 5 Rhonda Pierce *Educator at Schmetz Needle Company* - "2 Inches of Steel"

Confused about what needle to use? What do all those numbers mean on the needle package? Is changing the needle really important before it breaks? Successful sewing is often about paying attention to the little things – like the needle in your sewing machine. Get the low-down about how this little piece of steel can solve some very BIG problems, including broken threads, skipped stitches and puckered fabrics. Your sewing machine is an investment and protection begins by using the very best needle.

SEPT 7 Marla Margelewski "Featherweight Maintenance Class" This is the class for all owners of Singer Featherweight sewing machines. In 2013, Marla was gifted a Singer Featherweight, which started her on a journey to learn about "The Perfect Portable."

Since then she has rescued and restored 19 Featherweights. Marla has taken several classes on how to care for them and this class will give you the confidence & basic knowledge on how to maintain yours. Workshop Kit Fee: \$20

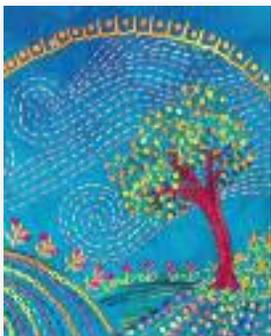

OCT 3 Laura Wasilowski "Art Quilts—The Musical"

Join Laura in celebrating the life of a quilt artist. Listen to her adventures in quilt making and hear traditional art quilt folk songs like "Everybody Gets Rejected Sometime" and the "Minnesota Quilter's Polka". It's a quirky documentary featuring a display of her small art quilts and many other songs from the "*Chicago School of Fusing Bond Fire Songbook*".

OCT 4 "Woven Flower Basket Quilt"

Create a colorful woven basket quilt full of joyful flowers and leaves. Learn fusing techniques like pattern transfer, bias weaving and bias braiding for the basket handle. Pattern templates are provided, but you will also learn fusing tips and how to add hand-embroidery to your small art quilt. Bring summer into your home and make a basket full of flowers from a kit of beautifully hand-dyed fabrics and threads. (No sewing machine is needed.) Workshop Kit Fee: \$25

Oct 5 "Free Stitched Embroidery Landscapes"

Densely hand stitched, these small landscape vignettes are created from your original design, with cotton threads and free stitched on hand-dyed silk fabric. You'll learn about fabric and batting choices how to transfer your design to the silk, the threads and needles best for stitching and how to devise embroidery stitch combinations unique to you design. It is a slow, thoughtful, tempo of making intimate art work. Workshop Kit Fee: \$30.

JAN 9 (2020) "School House-Hand Stitching"

Join us for an evening of learning new skills in hand work! Members will pre-register to learn a new technique. We will divide into small groups lead by some of our very talented members, teaching Applique, Beading, Boro, Embroidery, English Paper Piecing and Wool Applique. Small kits will be provided. Bring scissors and neutral thread.

FEB 6 MaryJo Busch “Color College”

MaryJo will teach students to use the Artist Color Wheel, beginning with a power point presentation in which she explains various aspects of the color wheel in detail, using photos and charts to help students understand how to use the wheel for designing quilts. The lecture includes a trunk show of many colorful quilts, each one representing different color wheel combinations.

FEB 29 - LEAP Year Event **SAVE THE DATE!** Spend this extra day **QUILTING!** Lutheran Church of Ascension, 9 am to 4 pm Cost: \$10 + a dish of food. Take a half day class, finish a UFO or sew for Charity.

MAR 5 Valli Schiller – Lecture: “Gizmos & Gadgets for Adventurous Quilters”

Can you find quilting gear at the grocery store? The hardware store? Valli finds some of her favorite tools and supplies in unexpected places. This lecture is packed with tips, tricks and step-by-step techniques for making great quilts faster.

MAR 6 “Finishing School” This is a 2 part full day class. In the morning, “Fearless Free Motion Quilting” Tired of stitching in the ditch? Think you can’t free motion quilt? Yes, you can! In this hands-on technique class, participants will learn fast and fun ways to turn their tops into quilts using a home sewing machine. This playful approach features simple free motion quilted grids with lots of creative variations and no marking. No machine quilting experience necessary, but you must be familiar with the operation of your sewing machine. (Requires darning or free motion foot.)

In the afternoon, Mighty Nice Binding – By Machine! Learn two different ways to bind quilts entirely by machine, as well as Valli’s fast, foolproof, no measure method for joining binding ends. You will bind your sample from the morning with crisp corners and smooth joins. Confident Beginner.

MAR 7 “Ruler Quilting Fundamentals” Add a versatile new technique to your free motion quilting repertoire! Ruler guided quilting enables you to stitch precise straight lines and curves with minimal marking. And since your feed dogs are dropped, you can stitch in any direction to create complex designs without turning your quilt. In this hands-on class, you’ll transform ½ yard of solid colored fabric into a 20 x 20 whole cloth quilt (pattern provided) with an elegant, modern vibe. Intermediate-Some prior experience with free motion quilting helpful. Must have a ruler foot and a bed extension table for their sewing machine. Valli will have her own line of rulers available for sale during class.

APR 2 Cheryl Schenck “From First Stitch to Last Staple”

Cheryl’s Lecture is everything you always wanted to know about Tuffets. She loves to teach quilting, sewing and painting. She’s a certified Tuffet Source affiliate and McTavishing quilting instructor. Cheryl also makes custom skating costumes.

MAY 7 Suzi Parron “Following the Barn Quilt Trail”

Suzi’s interest in quilting history led her to fascination with barn quilts, which she discovered on a cross-country camping trip in 2008. A high school English teacher, Suzi spent 2 years documenting the barn quilt movement, traveling to twenty-nine states, gathering stories of these painted quilt patterns and their ties to family and tradition.

MAY 9 “Painted Barn Quilts” Join the Barn Quilt movement by creating your own painted quilt block. You will begin with a pre-primed, 2’ x 2’ board and go through each step---drafting, taping and painting, with careful attention to details. The workshop lasts 4 to 6 hours. You will leave with a finished quilt block, ready to hang! Kit Fee: \$45 paid to Instructor

THANK YOU, FRIENDS OF MELISSA KANE

In June, we had friends of one-time member Melissa Kane bring her stash to sell, with the proceeds going to charity. IQI received a donation as well, which was very kind. Thanks to Patti Solem for organizing!

FAOF NEWS

Submission forms for the FAOF are due to Chris Deering September 12. For your convenience, Chris or the Committee will collect entry forms at the September meeting. Boutique applications are also due September 12, and go to Roberta Levin.

When filling out FAOF entry forms (available at www.fineartoffiber.org/forms.htm)...

- be sure to attach a 4"x6" color photo on photo paper (hello, Walgreens!)
- include the name of the designer and the longarm quilter if applicable in the "Describe what you want people to know about this entry." Also include here if the piece was done in a class, and who taught it. The information in this section is what goes on the wall beside your piece.
- include information such as wires, frames, included pole/dowel, "do not fold" on form.

FAOF show postcards will be distributed at the guild meeting. Members who prefer an electronic postcard will find one on the website (www.fineartoffiber.org).

Nona will sign up volunteers for the FAOF exhibit at the September meeting. If you are submitting at least one piece, you need to work one volunteer shift. If you are selling pieces in the exhibit, you must do a second volunteer shift.

Finally, we'd like to encourage members to submit a 6"x6" 2D fiberart piece for the special 30th anniversary "Garden Pearls" challenge. Your submission can be made on the standard entry form and does not count as your one proprietary entry. IQI Challenge quilts will also be hung as a group.

Website update

IQI website guru, Steve Juliusson has been working hard. Most of the content has changed and our updated site is now readable on cell phones, tablets and laptops!

Newly revised job descriptions for the board of directors is available under the Membership tab, so a handy reference is now available where ever you have WIFI.

The biggest update is the Shopping Cart. You now pay for all the workshop fees and the class itself when you sign up and check out. Any taxes collected by the teacher can be paid at the class time. Don't wait to sign up for a class, as guests are also signing up and class sizes are limited.

Scroll around the site and get familiar with using it. Practice will make you more comfortable. Like learning a new pattern or technique, it takes some practice to get it right!

You can always sign up via snail mail to Cynthia Karabush.

Did you know we have a Facebook page?

Just search for Illinois Quilters, Inc. and you will see our familiar red and white logo. A goal this next year is to increase our online visibility and hopefully entice more members. Please email Marsha Caulkins at macaulkins@gmail.com or text me any content or pictures to 847-533-0054 if you aren't comfortable posting to our group page directly. Additionally, I will do my best to ensure information about our scheduled meetings and workshops is posted ahead of time, as well as dates of events other guilds are offering. For example, August 24 & 25 the Gems 2019 Quilt Show featuring over 350 quilts is happening in Peoria.

Take a look and feel free to suggest content for our page.
