

## 2020 IQI Quilt-In: Mystery Quilt Fabric and Supply List

We'll be using four fabrics for the blocks and a border fabric.

- ∞ Fabrics A & B are darks and are the main focus of the quilt. Medium and small-scale prints work best.
- ∞ Fabric C is a medium/dark fabric and should play nicely with both A and B. Medium and small-scale prints work well here.
- ∞ Fabric D is the background and should be a light fabric. Fabric D should play nicely with A, B, and C. Small-scale prints work best here.
- ∞ The border fabric can be a medium or large print that ties all the fabrics together.
